The killer awoke before dawn... he put his boots on. He took a face from the ancient gallery, and he walked on down the hall. He went to the room where his brother lived, then he paid a visit to his sister, and then he... walked on down the hall. And he came to a door, and he looked inside. Nevermind what he did then, because this is my unique filler text that doesn't involve any type of Oedipal reference that most people wouldn't get anyway.
