

cabinet

the monolith

traditionally crafted from oak or ash, the cabinet is a no nonsense approach to stow away your clothes. if it doesn't fit, you simply own too much.

big drawer for socks and stuff, large cabinet for the rest; optional shelves or hanger bar; bench to sit on or pile up your books; small cupboard for hot tea while reading.

details

mind the small things

all our pieces are manufactured using solid wood from local mills, for a sustainable, long lasting product;

sanded, brushed and oiled for smooth, natural finish; gaps in door allow for air to circulate; custom stainless steel hinges; moulded hold; swivel lock;

z-clips on wall stabilize cabinet when used as a bench; bench and sideboard removed for shipping;
