A good reputation is more precious than gold!

"This is the beginning of a new day. God has given me this day to use as I will. I can waste it, or use it for good. What I do today is important, because I am exchanging a day of my life for it. When tomorrow comes, this day will be gone forever, leaving in its place something I have traded for it. I want it to be gain, not loss; good, not evil; success, not failure; in order that I shall not regret the price I paid for it."

I call no man wise until he has made the progress from the wisdom of knowledge to the wisdom of foolishness, and become a laughing philosopher, feeling first life's tragedy and then life's comedy. For we must weep before we can laugh. Out of sadness comes the awakening and out of the awakening comes the laughter of the philosopher, with kindness and tolerance to boot."
