

MONDEGREEN ITALIC AND ROMAN

Ye Highlands and ye Lowlands,
Oh, where hae ye been,
They hae slain the Earl Amurray,
And laid him on the green.

*Ye Highlands and ye Lowlands,
Oh, where hae ye been,
They hae slain the Earl Amurray,
And Lady Mondegreen.*

“A mondegreen is the mishearing or misinterpretation of a phrase, typically a standardized phrase such as a line in a poem or a lyric in a song, due to near homophony, in a way that yields a new meaning to the phrase. It should not be confused with *soramimi*, which are songs* that produce different meanings from those originally intended, when interpreted in another language.”
