sexy qua lijf, doch bang voor het zwempak.
meet sensato; a friendly, trustworthy and wise italian
man with a peculiar love for renaissance typography,
ancient wines and dangerous women. sensato was
born and raised in the industrial city of rotterdam, the
netherlands, but his soul has always been in italy. it
should come as no surprise then, that it took sensato
a visit to the beautiful town of urbino to fully get to
know himself. during his five day stay at this magical
place, sensato became the wise man he is today. so
wise, in fact, that he lost all excess weight. so enlight-
tened, in fact, that he started turning completely bald
a couple days later. or bold, if you like. but it didn't
make him any less sexy, on the contrary, he gained in
flare and added swashes to his arsenal of styles. as a
logical result of feeling lighter, he also gained in speed.
sometimes he ran so fast, he appeared to be slanted.
he wasn't slanted, off coarse. he was italic, even on his
baldest days. abcdefghijklmnopqrstuvwxyz.
